Each blind is warranted to be free from defects in materials and workmanship to the original owner and limited to manually operated products only, provided that the blinds were: 1.) Installed in a residential dwelling. 2.) Properly installed in accordance with the installation instructions which accompany each blind to be installed in a window, door or other interior area for which they were intended. 3.) Maintained and cleaned in compliance with the manufacturer's recommendations.

Damage resulting from misuse, abuse, exposure to the elements, including but not limited to exposure to salty air, discoloration due to sunlight or passage of time, exposure to humidity, accidents, the use of steam, bleach, or any caustic abrasive, or solvent based cleaners, alterations or normal wear and tear upon the blinds are not covered by this warranty. Cord wear shall be considered as normal wear and tear. Avalon Faux Wood blinds are manufactured with PVC foam and contain no lead additives. Variations in grain and texture may appear randomly in slats, valance and bottom rail. Slight variations in color, as well as minimal warping may also occur. These are all natural occurring tendencies when dealing with PVC foam products and are considered acceptable. Returns for the above-mentioned reasons are not warranted.
